ABOUT REALSAFE

Started with ADECO (A&D ERFOLG SAFETY CONSULTING) & PT ADECO G3S ASEAN in 2014 and in 2017 respectively. REALSAFE TRAINING CENTRE in 2021 evolved and they are both training and consultancy company that promotes Safety and Health, Fire Safety and Environmental training. Our primary focuses are meeting legislative requirements and relevant standards; at the same time empowering organization with the knowledge in understanding to manage Health, Safety and Environment (HSE) onshore and offshore.

HQ, PT ADECO Global Tiga Solusi Asean t/a Realsafe Training Centre, (RTC@Batam-Indonesia) is an Approved Training Provider (ATP) accredited by OPITO was founded in 2021. RTC provides training courses for trainees who acquire permits to work on Offshore Oil and Gas Industry. RTC Batam Indonesia have trained a total of 1000 offshore Oil & Gas delegates.

On top of that, Realsafe Training Centre (RTC@Singapore) is also an Approved Training Institute (ATI) accredited by the Singapore Civil Defence Force (SCDF) in the year 2024. Our training centre provides training courses for trainees who require permits and competency from SCDF.

It is managed and staffed by experienced ex-employees from Singapore Civil Defense Force. RTC@IDN-SG-MY is expanding and serving clients both locally and overseas, including government agencies, industrial and commercial companies globally. We are offering a range of specialized training courses on civil defense, fire safety, and rescue as well as other related services which cover the oil and gas industry, particularly the Onshore and Offshore petrochemical industry.
